VOLUME XIII

COLUMBIA, ADAIR COUNTY, KENTUCKY, WEDNESDAY JULY 13, 1910.

NUMBER 36

## Depp-Allen.

Dr. Henry W. Depp, of this place, and Mrs. Ada Allen, of Burkesville, were married at the latter place Sunday, County Judge Collins officiating. Dr. Depp is the son of Mr. A. Depp, of the Beaver Creek country, and is a rising young dentist of this place. His bride is one of the attaches of the Gainesboro Telephone Co., at Burkesville, and is said to be a charming young lady. Mr. Depp will return here this week, but Mrs. Depp will remain at Burkesville until Aug. 1st. They will reside here.—Glasgow Republican.

## For Sale.

On account of removing from the county, I offer my home on Lebanon Avenue, Campbellsville, Ky., for sale. The house has 6 rooms and bath room and store room, besides 3 large closets. Basement under the whole house, concrete walls and floor.

The first floor is hardwood finish, upstairs finished white. Porcelain bathtub, lavatory and water-closet in bath room, and porcelain sink in kitchen; hot and cold water on both floors; Compressed air tank in basement gives good water pressure; furnace warms whole house by hot air system.

Grate and cabinet mantel in reception hall, built in china closet in dining room, and large cupboards in kitchen, never failing well of fine drinking water, and large cistern. Electric lights in every room and basement. Large barn and plenty of garden; 165 feet front on street, with good set of grass on lawn.

An ideal home, with all the comforts of city and country combined.

36-2t W. D. Newberry.

A postal card from Mrs. Bettie Cheek, Nashville, Tenn., to her niece, Mrs. S. P. Miller, states that her daughter, Minifree, has been a great sufferer for one year. The doctors decided that it would require an operation to bring about relief, and on July 21st was taken to an infirmary and the operation performed. It was successful and the patient is doing well.

Mr. J. M. Campbell, who has been with Floyd & Bohr Co., Louisville, has tendered his resignation and has accepted position with the Cumberland Grocery Company, headquarters at Lebanon. Mr. Campbell is one of Adair county's best citizens, perfectly reliable, and has many friends throughout this section of the State. He is now visiting the merchants and groymen and will be thankful for all favors extended.

Bishop T. C. Carter, who was in office last Friday, informed us that the building of a United Brethren Church at this place had not been abandoned. He stated that the work had been delayed on account of other pressing matters, but that he thought everything would be in shape for the construction of the edifice before a great while. He further stated that if anything should arise to prevent the erection of the building that a satisfactory settlement would be made with all the donors.

About one hundred and twenty-five persons, residents of Columbia and citizens of Adair county attended the Lebanon Chautauqua from two to four days. Average the expense at \$10.00 each which is a low estimate, and you have \$1,250. The stage line received about \$120 and the railroad about \$110; toll, \$35.00, the three last items make \$265. Take that from \$1,250 and you have \$1,085 received by Lebanon.

The nominating petitions for school trustees are now in the hands of the Superintendent. Friends who expect to be voted for in said election will have to be named by petition. The petition signed by not less than ten qualified voters, must be filed with the County Clerk at least ten days before the election. Please call on the superintendent for said blanks.

The Transylvania Presbytery has conveyed to the Trustees of the Graded School of the Town of Columbia, the college building, known as the M. and F. High School property, for \$1,000, the money to be paid in October next. It is stated in the deed, which is now of record, that the building is to be used for school purposes, only.

Mr. Sam Beck has left at this office a sample of apricots grown on his place. The tree is only four years old and it bore last year. This year the limbs are breaking with the luscious fruit, and it is believed that there are eight or ten bushels on the tree. The two twigs left at this office were as full as they could hold, sixty-five apricots being on them.

## Meets With an Accident.

Miss Alice Walker, of this place, met with an accident last Tuesday night while en route home from the Lebanon Chautauqua. She left Campbellsville about nine o'clock in company with Mr. Ray Flowers. The night was dark, the pole at the first toll-gate being down, but it could not be seen, and their buggy struck it, tilted, throwing Miss Alice to the ground. She was considerably bruised about the right arm and right shoulder, but she was able to come home. Since the accident she has suffered considerably, but her friends, who have called, say she will be all right in a few days. Mr. Flowers was not hurt, but badly frightened, to be relieved when he learned that Miss Alice's injuries were not serious.

## Public Speaking.

Every body invited to attend. A special invitation is extended to the ladies.

Miss Nell Callison entertained charmingly at the home of her parents on Englewood Road Wednesday evening with a progressive peanut party in honor of her guest, Miss Ruth Lyon, of Campbellsville. For the occasion the interior of the home was decorated with daisies which presented a very attractive appearance. The first prize consisting of a silver whisk broom was won by Miss Mary Whitfield. The guests prizes of souvenir spoons of Middlesboro were awarded to the Misses Louise Perry, of Jasper, Ala., and Ruth Lyon, of Campbellsville. The consolation prizes were carried off by Miss May Van Gorder, a handsome brooch, and Chas. W. Purcell, a stick pin. Delicious refreshments of cakes and ices were served at the conclusion of the games. —Middlesboro Record.

## No More Worry About Pumps.

Call on S. F. Eubank and get the latest up-to-date, one that will not need to be repaired. 34-4t

We desire to extend our sympathy to Mr. John Q. Alexander, of Campbellsville, who was bereft of his aged father Mr. Hilory M. Alexander, who died very suddenly in Cleburne, Texas, two weeks ago. The deceased was born and reared in Cumberland county, Ky., and was a fine old gentleman—nearly eighty years old. Forty years ago he was prominent in the affairs of Cumberland county, Ky., and at one time was Sheriff of the county.

Mr. Olie Taylor, who makes Mr. Walter Bryant a very efficient County Court Clerk, will be absent from the office until fall. He was under obligations to teach the school, known as Republican, and entered upon the discharge of his duties as an instructor last Monday week.

The corner stone of the Thomas Hadley Memorial United Brethren Church, to be laid by Bishop T. C. Carter, of Chattanooga, Tenn., last Sunday. A very large crowd was present and the exercises of great interest. Bishop Carter also lectured in the grove, near the church site, Saturday afternoon.

Mr. Sam Lewis' Board of Trade building received a terrible shock last Friday, about the noon hour. A teamster backed his wagon against a post which held up the brim of the structure and it collapsed as quickly as would have a deadfall, the triggers being thrown by a rabbit.

A great many exchanges come to this office and in looking over them we can state that everything indicates a bountiful crop year throughout the State. Generally speaking, wheat is first-rate and such a crop of Irish potatoes has not been grown for many years. Many farmers are through plowing corn and tobacco all set.

Mr. W. L. Meader and Mr. C. R. Carden, a real estate agent, were in Columbia last Saturday. The latter bought Mr. S. D. Barbee's place and will in the near future cut it into building lots and sell them to the highest bidder. The price paid Mr. Barbee for his property was \$4,709.

## The Chautauqua Games.

Our baseball team made a miserable poor showing at the Lebanon, Chautauqua, but it was not tailored. It defeated the Lebanon team, the score standing 3 to 2. Campbellsville defeated Columbia 4 to 1, and Springfield won over Columbia 6 to 3. It would be useless to undertake to go into the whys and whyfores. Those who witnessed the games say that our boys lacked team practice. Campbellsville demonstrated that it had the best team on the grounds, won the contest, Springfield being the last team defeated, was awarded the cup, went home rejoicing, and that is all there is to it. To the victors belong the spoils and we believe in that old adage. Taylor county is justly proud of her baseball team, and the reason for so being is good. If Columbia had won old hats would have been burned, bells rung, and horns blown, and if Campbellsville wants to shine about, kick high over the success of her boys, she has the proof of the puden, and we say, amen.

The following is the score of the three games:

	July, 4th.	R H E
Campbellsville	4 3 2	
Columbia	1 3 4	

Battery for Campbellsville, Wilson and Barnett; for Columbia, Woodrum and Rosenfield; base on balls off Woodrum 2, Wilson 1; struck out by Woodrum 11, by Wilson 9; stolen bases Columbia 4. C-ville 1; two base hit Rosenfield, Umpire, Copeage.

	July 5th.	R H E
Columbia	3 5 8	
Springfield	6 5 4	

Battery for Columbia, Judd and Rosenfield; for Springfield, Brown and Sims; base on ball off Judd 1; off Brown 3; struck out by Judd 6; by Brown 7. Umpire Copeage.

	July 8th.	R H E
Columbia	3 5 2	
Lebanon	2 4 2	

Battery for Columbia, Woodrum and Rosenfield; for Lebanon, Stamp and Young; base on ball off Woodrum 1; struck out by Woodrum 12; by Stamp 5. Umpire, Ryan.

## Tribute of Respect.

At a regular meeting of the Sunday School at the Christian Church in Cane Valley, Ky., on Sunday, July 3rd, 1910, a committee was appointed to draft resolutions expressing the loss sustained by the Sunday School and entire community, in the death of Superintendent F. E. Christie, which committee drafted the following resolutions:

Whereas, In the course of natural events, and in an unexpected and almost tragic manner, an Allwise Providence, saw cause to remove from us by death our Superintendent and fellow townsman, F. E. Christie, a man who stood in the very front in every thing, having for its object the upbuilding, and betterment of our community, a man of unquestioned kindness, honesty and morality, a kind husband, and obliging neighbor, and indulgent parent.

Now, Be it Resolved, That in the death of Brother Christie, the Sunday School has lost a faithful and valuable leader, the community one of its best and most useful members, and his family its chief support and consolation.

And be it resolved, That a copy of these resolutions be spread on the minutes of the Sunday School, a copy be sent to the Adair County News for publication, and a copy sent to the family of the deceased.
